DETAILED ACTION

Claim Rejections - 35 USC § 112

1. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

2. Claims 1,11-20 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Specifically, it is not clear what is meant by “are structured ... of a surfactant”

The amendments and remarks filled by applicants in their last response have been fully considered. The arguments have been persuasive regarding claims 2-7.

Claims 2-7 have been allowed in view of the prior art of record.

The remaining claims stand rejected in view of the above.
